

REMARKS

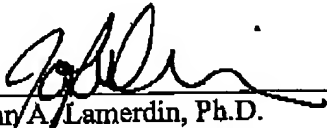

The instant Supplemental Amendment corrects a typographical error in claim 96. Consequently, the amendment to claim 96 does not incorporate any new matter. Support for the amendment is found in the claim itself, since the amendment simply corrects a typographical error.

Although it is believed no fee is due, the Commissioner is hereby authorized to charge any deficiency or credit any overpayment associated with the filing of this correspondence to Deposit Account Number 19-3880.

If any small matter should remain outstanding after the Examiner has had an opportunity to review the above Response, the Examiner is respectfully requested to telephone the undersigned attorney in order to expeditiously resolve these matters.

Respectfully submitted,
